# BULLETIN No 2

## 17<sup>TH</sup> IDBF WORLD DRAGON BOAT RACING CHAMPIONSHIPS

Regatta Beetzsee, Brandenburg an der Havel, Germany

14<sup>TH</sup> -20<sup>TH</sup> JULY 2025

**The information in Bulletin No 2 is complementary to Bulletin No 1.  
The two Bulletins together serve as complete guidance.**

The information in Bulletin No. 2 provides further information about the 17th IDBF World Dragon Boat Racing Championships 2025 and reminds participating nations about the important timeline that must be adhered to.

The races will take place from 15<sup>th</sup> – 20<sup>th</sup> July 2025 inclusive with the Opening Ceremony on Monday 14<sup>th</sup> July 2025. Participating teams for the 17<sup>th</sup> IDBF World Dragon Boat Racing Championships (WDBRC) should plan to arrive on Saturday 12<sup>th</sup> July 2025 or Sunday 13<sup>th</sup> July 2025.

### CHANGES FROM BULLETIN 1

## 17<sup>th</sup> World Dragon Boat racing Championships 14<sup>th</sup> – 20<sup>th</sup> July 2025 – Brandenburg ad Havel, Germany

### PROVISIONAL ENTRIES

The number of provisional entries from IDBF members is extremely encouraging. If all these provisional entries were to become firm entries, then the 17<sup>th</sup> IDBF World Dragon Boat Racing Championships will be **the largest world championships ever held!** The table below shows the entries received as at 25<sup>th</sup> March 2025.

35 provisional entries have been received from IDBF members:

Australia, Canada, China, Chinese Taipei, Cyprus, Czech Republic, France, Germany, Great Britain, Hong Kong, China, Hungary, India, Ireland, Italy, Japan, Macao China, Malaysia, Netherlands, Norway, New Zealand, Panama, Philippines, Poland, Puerto Rico, Qatar, Serbia, Singapore, Spain, Sweden, Switzerland, Thailand, Ukraine, United Arab Emirates, United State of America and Russia under the IOC definition of Individual Neutral Athlete – Athlete Individuel Neutre (AIN).

### IDBF UPDATE REGARDING the 2000m races

The IDBF is seeing an unprecedented registration for this year's event, which is currently almost 50% higher than 2023. This has created extraordinary difficulty in managing the schedule.

The C&TC and executive committee have analyzed the schedule at length using a number of scenarios and found it impossible to run all four distances with the current number of teams.

#### **A distance will unfortunately need to be removed.**

The C&TC and Executive Committee are recommending 2 options:

- removing the 2000m from the program and returning to the original World Championship format of 200m, 500m, and 1000m, and doing so for both the standard and small boats (recommended).
- alternatively, removing the 1000m from the program and maintaining the Club Crew World Championships format of 200m, 500m, and 2000m, and doing so for both the standard and small boats.

An extraordinary team managers meeting will be held on Saturday April 5th at 10:30 UTC by Zoom to review the situation and/or other possible solutions.

Final confirmation of any decisions will take place after this meeting.

In any case it is possible, if there is decline in entries after the confirmed entry deadline, that the removed distance could be reinstated.

**COMPETITION FORMAT**

The 17th IDBF World Dragon Boat Racing Championships (WDBRC) will be managed by IDBF International Race Officials (assisted by National Race Officials and volunteers) in accordance with:

- IDBF Competition Regulations, Edition 9.0, dated 1<sup>st</sup> January 2025

## 17<sup>th</sup> World Dragon Boat racing Championships 14<sup>th</sup> – 20<sup>th</sup> July 2025 – Brandenburg ad Havel, Germany

All of the above documents can be found on the IDBF Website at:

<https://www.dragonboat.sport/documents/rules-regulations/>

The Championship will use the IDBF Race plans to determine the racing program.

Entries are open to all IDBF members provided they have paid, by 19<sup>th</sup> May 2025, all membership fees that are due.

### RULES AND REGULATIONS

#### DIVERSITY CR 2.1.2 and CR 2.1.3

Although these changes are not yet formally part of the Competition Regulations, IDBF has nevertheless decided to implement for this Championships as a 'trial rule'

#### WOMENS CLASS CR 2.1.2

In the Women's Racing Class crews must be all female and of any age, except for those and at least 12 years of age in the year of competition to whom Reg 2.1.1. applies.

**"Female"** means a person who was assigned the biological gender of female at birth and who continues to identify with that same biological gender.

#### MIXED CLASS CR 2.1.3

Standard Boat Combination: minimum of eight (8) to a maximum of ten (10) female paddlers, and a maximum of ten (10) other gender paddlers

Small Boat Combination: minimum of four (4) to a maximum of five (5) female paddlers, and a maximum of five (5) other gender paddlers.

**"Female"** means a person who was assigned the biological gender of female at birth and who continues to identify with that same biological gender.

#### BCP RACE DIVISION CR 8.8.2A

Breast cancer survivor paddlers to provide an IDBF certificate as proof of diagnosis of breast cancer and fitness to paddle:

<https://www.dragonboat.sport/wp-content/uploads/2025/03/BCP-Declaration-of-Diagnosis-Certificate.pdf>

A hard copy of this certificate must be carried by the team manager and provided on request.

**17<sup>th</sup> World Dragon Boat racing Championships  
14<sup>th</sup> – 20<sup>th</sup> July 2025 – Brandenburg ad Havel, Germany**

**AGE REGULATIONS**

In 2023, the IDBF Congress made changes to the age regulations for the Junior class which are now effective. These changes are in IDBF Competition Regulations Edition 9. Key information is provided in the table below.

<b>IDBF Age Class Name</b>	<b>Age Rule</b>
Junior 18 U	All athletes, except the steerer, must be at least 12 and no older than 18 in the year of competition.
Junior 16 U	All athletes, except the steerer, must be at least 12 and no older than 16 in the year of competition.
24U	All athletes must be at least 12 and no older than 24 in the year of competition.
Premier	All athletes must be at least 12 in the year of competition.
Senior A	All athletes, exception the drummer, must be at least 40 or older in the year of the competition.
Senior B	All athletes, exception the drummer, must be at least 50 or older in the year of the competition.
Senior C	All athletes, exception the drummer, must be at least 60 or older in the year of the competition.

Note that a change was also made in the 2023 IDBF congress to combine the 24U and University classes. However, this change was only ever intended to apply to Club Crew World Championships and not to World Dragon Boat Racing Championships. Accordingly, IDBF Executive Committee, in accordance with c17.2(2)i of the Statutes, has decided to implement a trial rule for Brandenburg that will remove (temporarily) the ‘university’ component and restrict all participants to being between the ages of 12 and 24 in the year of competition.

**PARADRAGON RACE DIVISION**

The IDBF is pleased to announce that the WDBRC will include Paradrragon races. Paradrragon racing is aimed at broadening the reach of our sport by encouraging the participation of Para-athletes (paddlers with physical, psychological, neurological, sensory or intellectual impairments).

Note that the unimpaired paddlers participating in a PD2 crew will not be restricted in any way from entering any other (non-Paradrragon) race category.

National federations are reminded that a Paradrragon Certificate of Diagnosis must be submitted for each participating Para Athlete. These certificates allow IDBF to determine the provisional ‘scoring’ for these participants and therefore assist national federations in ensuring that PD1 and PD2 crews will be compliant with the race rules. Completed certificates must be submitted no later than **15<sup>th</sup> May 2025** (by email to [chair-para@dragonboat.sport](mailto:chair-para@dragonboat.sport)), but earlier wherever possible. Team managers are asked to submit each certificate as soon it is ready rather than submit in bulk as this will assist the assessment process.

## 17<sup>th</sup> World Dragon Boat racing Championships 14<sup>th</sup> – 20<sup>th</sup> July 2025 – Brandenburg ad Havel, Germany

Blank certificates are available at Annex D to the Rules for Paradrakon Racing.

All Paradrakon paddlers will be subject to 'at venue' assessment to ensure that impairment scores issued on the basis of medical diagnosis certificates are suitable. These assessments will be done on 12<sup>th</sup>, 13<sup>th</sup> and 14<sup>th</sup> July 2025 at the venue medical centre. If an athlete is required to be assessed, then that assessment will take priority over any other activity. Paradrakon teams planning to arrive on 14<sup>th</sup> July may find no remaining assessment slots available and this could compromise the team's ability to win medals. The message is clear – arrive early!

Finally, depending on race entries and assuming sufficient lanes of racing are available, IDBF is willing to permit National B teams to compete in PD2 standard boat in 200m, 500m and 1,000m. A final decision cannot be made however until the overall entries for the Championships are known.

### ANTI DOPING

IDBF is a signatory to The World Anti-Doping Agency (WADA). IDBF is committed to ensuring that its athletes comply with WADA requirements.

The IDBF has made it a mandatory requirement for the following athletes and all coaches to complete or have completed an anti-doping course before being eligible for registration/accreditation at the 17<sup>th</sup> WDBRC 2025 in Brandenburg.

Athletes/Coaches with a current anti-doping course certificate must make sure it is valid until **at least 21<sup>st</sup> July 2025**.

For those who have not completed an anti-doping course or have an invalid certificate the appropriate course must be completed by **15<sup>th</sup> June 2025**

- Premier – ADEL **International** Level Athlete (ILA)
- Senior A – ADEL National Level Athlete (NLA) or ILA
- Senior B – ADEL National Level Athlete (NLA) or ILA
- Senior C – ADEL National Level Athlete (NLA) or ILA – **NEW for 2025**
- 24U – ADEL National Level Athlete (NLA) or ILA
- Juniors – ADEL Talented Athlete or NLA
- Paradrakons – ADEL National Level Athlete or ILA
- Coaches – ADEL High Performance Coach (HPC) <https://adel.wada-ama.org/learn>

**Please note: The above refers to the RACING CLASS the athlete is to compete in and NOT the AGE of the athlete e.g. if a 45 year old athlete is to race in the Premier class this athlete will need to have completed the International Level Athlete course. Likewise, a 23 year old athlete racing in the Premier class will also need to complete the International Level Athlete course.**

Anti-doping certificates will also be accepted from Sport Integrity Australia (SIA), Canadian Centre of Ethics for Sport (CCES) and NADA Germany. These certificates have a 1 (one) year validity so please check the date. ADEL certificates have 2 years.

**17<sup>th</sup> World Dragon Boat racing Championships  
14<sup>th</sup> – 20<sup>th</sup> July 2025 – Brandenburg ad Havel, Germany**

---

The Team Manager should collect ALL certificates by **15<sup>th</sup> June 2025**. Filing in folders according to racing classes (Premier, Sen. A, Sen. B...) would assist quick location when requested. **Only when requested should certificates be sent to [chair-medical@dragonboat.sport](mailto:chair-medical@dragonboat.sport)**. Random checks will be carried out from 16<sup>th</sup> June 2025 until 20<sup>th</sup> July 2025.

An information letter dated 28<sup>th</sup> February 2025 was sent out to those provisional entries as listed in the IDBF database 28<sup>th</sup> February 2025. This information letter will also be available on the IDBF Anti-Doping website under Newsletters.

### **Therapeutic Use Exemptions (TUE)**

Athletes who take substances or use methods prohibited by WADA are liable for expulsion from IDBF events and their teams may face disqualification. However, IDBF (and WADA) understand that sometimes there are overriding medical reasons for use of prohibited substances or methods and their use can be permitted on acceptance by IDBF of a Therapeutic Use Exception Application Form (TUE). The list of substances and methods prohibited by WADA can be found at:

<https://www.wada-ama.org/en/content/what-is-prohibited>

**Global Dro** is also a useful website to check medications - [Global DRO - Home -](#)

The TUE and information on the TUE process along with Checklists are available for download from the IDBF website site. Please note the following points when preparing a TUE:

1. **First**, check your medications yourself (GlobalDro). A TUE might not be necessary saving you a doctor's appointment and charges.
2. **Inform** your doctor that you are an athlete. If any of your medications are prohibited ask your doctor for a suitable alternative that is not prohibited.
3. **Only** those prescribed medications that are on the Prohibited List require a TUE
4. **All** medical evidence (diagnosis, medical history, test results etc. as stated on the TUE form at point 6) **must** be submitted with the TUE for it to be processed otherwise the TUE application will be returned. This can then be re-submitted once all required documentation has been collected.
5. **All** submissions of TUE to be in **PDF** document format.

**Premier** athletes and support personnel TUEs must be submitted to [chair-medical@dragonboat.sport](mailto:chair-medical@dragonboat.sport) at least 30 days prior to the commencement of the Championship – **15<sup>th</sup> June 2025**

**All other athletes and support personnel** to submit to their National Anti-Doping Agency **OR** to [chair-medical@dragonboat.sport](mailto:chair-medical@dragonboat.sport) for assessment at least 30 days prior to the commencement of the Championship – **15<sup>th</sup> June 2025**.

See **IDBF website** for TUE Application form and IDBF TUE Checklist:

<https://www.dragonboat.sport/anti-doping>

**Your attention is drawn to IDBF Regulation CR11 concerning drug abuse** and doping. Random drug testing will be conducted during the event. All tests will be set against the current WADA banned substances list as shown on the WADA Website. Members of the IDBF Medical and Sports Science Commission will be on hand to monitor the testing process.

14<sup>th</sup> – 20<sup>th</sup> July 2025 – Brandenburg ad Havel, Germany**

**IDBF MSSC Advisory related to Anti-Doping - Life extension/anti-ageing therapies**

Competitors are advised that the use of testosterone boosting agents to theoretically combat the ageing process are prohibited under WADA and the IDBF Anti-Doping rules. The use of these agents by any route for life extension or to combat the ageing process are **not permitted** and no therapeutic use exemption will be granted for this purpose. Additionally, paddlers are advised that there is substantial evidence that they pose a serious health risk. Specifically note the following from the WADA rules:

- a) Females will not be granted a TUE for testosterone use; it is strictly prohibited.
- b) Males must have a documented organic cause of hypogonadism. A list of such causes is available on the IDBF website. Please see the Male Hypogonadism document. Essentially there must be testicular, genetic, or pituitary disease.
- c) Low testosterone level from ageing (andropause) is NOT a valid reason for a TUE.
- d) Self-disclosure of the use of a prohibited substance **without** a TUE is an Anti-Doping rule violation (ARDV).

National Team Managers are to ensure that their competitors are familiar with the contents and advice given in the current edition of the IDBF Anti-Doping Policy – see <https://www.dragonboat.sport/anti-doping> and on the WADA website [www.wada-ama.org](http://www.wada-ama.org).

**Aiding and Abetting**

Anyone who assists or incites or otherwise encourages a competitor to indulge in drug abuse shall also be considered to have committed a drug offence and will be subject to the same disciplinary procedures as for a competitor or crew.
